Dear Parents and Guardians,

We hope this message finds you well as we prepare for a safe and smooth start to the school year.

We are writing to inform you about important updates to our parking procedures.

**Effective immediately, parent parking will be limited to the main parking lot located in front of the school.** For the safety of all students, staff, and families, parents will not be permitted to park in the Pre-K parking lot, which will be closed off during arrival and dismissal times.

Spaces will be available for parent use in the front parking lot. This adjustment has been made to ensure the safe and efficient flow of traffic and to keep our students and buses protected during high-traffic times.

**In addition, we ask that you please do not park on Sicklerville Road to drop off students and/or allow them to walk independently. All students must be accompanied by an adult.**

We appreciate your cooperation and understanding as we work together to maintain a safe school environment for everyone.

Please see the map below for clarification. If you have any questions, please do not hesitate to contact the main office.

Warm regards,
